Dear Sir:

Responding to yours of the 3d, I am enclosing a brief circular regarding our Society together with an application blankfor Associate membership. I am also enclosing a list of our publications, of which on an average three or more are sent annually as a partial return for the $5.00 dues.

If you accept this invitation to become a member of our Society, I should be glad to have a word to that effect before the meeting of the Council on December 14th. The dues would be payable beginning with January 1st.

Very truly yours,

Secretary
